

A Message from the Mayor

SEPTEMBER 2, 2014

The summer season is coming to a close as the school year starts anew. Returning to school is an exciting time for the Township youth, at the same time there is increased traffic on our roadways. I ask all members of the traveling public to plan for extra commuting time and remind everyone to be aware of your surroundings.

In particular I would like all to be mindful of our speed limits and to avoid distracting behaviors while behind the wheel. The law requires all vehicles to stop whenever a school bus is picking up or dropping off students. Parents should take a moment to talk to their teenage drivers about safe practices.

Remember a moment's lapse can have serious consequences. The need to arrive safely always outweighs the need to hurry. Remember we are all counting on everyone's safe driving.

Sincerely,

Mayor Dan Hayes
